RE: Pre-Approval Request – No. 5850

Dear Ms. Janicki Clark:

The Office of the Public Access Counselor has received and reviewed the written notice from the Village of Downers Grove (VDG) of its intent to deny [REDACTED] request, in part, of the police report sought based on subsection 7(1)(c) of the Freedom of Information Act, 5 ILCS 140/9.5(b) (FOIA).

Based on the 7(1)(c) exemption, VDG intends to withhold the disclosure of the photographs attached to the police report. The photographs withheld are graphic depictions of a man killed by a train. VDG states that the disclosure of such records would be an unwarranted invasion of personal privacy.

We agree. The assertion of the 7(1)(c) personal privacy exemption is appropriate in this instance. The disclosure of graphic photos concerning a man's death in this manner clearly constitutes an unwarranted invasion of personal privacy. A reasonable person would find such disclosure highly objectionable. Therefore, pre-authorization to deny disclosure of these photos is **granted**.

If you have any questions, please feel free to contact me at (312) 814-6437.

Sincerely,

Cara Smith
Public Access Counselor
