RE: FOIA Pre-Authorization Request – 2011 PAC 14445

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to section 7(1)(f) of the Freedom of Information Act (FOIA) (5 ILCS 140/7(1)(f) (West 2009 Supp.), as amended by Public Act 96-1378, effective July 29, 2010).

On March 22, 2011, Mr. Jeff Stofferahn of JAS Environmental, Inc. submitted a FOIA request for land site information on Ortek, Inc.. In its written notice, IEPA asserts that certain documents are internal memos and preliminary drafts which is exempt under 7(1)(f).

Section 7(1)(f) of FOIA exempts from inspection and copying "[preliminary drafts, notes, recommendations, memorandum and other records in which opinions are expressed, or policies or actions formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body."

DETERMINATION

The IEPA's use of the exemption in section 7(1)(f) to withhold the internal memos and preliminary draft notes is **approved**. We have concluded that the withheld documents are internal memos and documents which contain preliminary assessments and recommendations that were subject to revision before being accepted. These documents were used by IEPA to formulate actions. IEPA asserts that these documents have not been publicly cited or identified

by IEPA's Director. Accordingly, the IEPA has met its initial burden of demonstrating that the withheld documents are exempt from disclosure under section 7(1)(f).

Very truly yours,
