RE: FOIA Pre-Authorization Request – 2011 PAC 14684

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to section 7(1)(f) of the Freedom of Information Act (FOIA) (5 ILCS 140/7(1)(f) (West 2009 Supp.), as amended by Public Act 96-1378, effective July 29, 2010).

On May 16, 2011, [REDACTED] of KAM Solutions, P.C. submitted a FOIA request for information on Quebecor World. In its written notice, IEPA asserts that a certain document is a recommendation which is exempt under 7(1)(f).

Section 7(1)(f) of FOIA exempts from inspection and copying "[preliminary drafts, notes, recommendations, memorandum and other records in which opinions are expressed, or policies or actions formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body."

**DETERMINATION**

The IEPA's use of the exemption in section 7(1)(f) to withhold the internal document is **approved**. We have concluded that the withheld document constitutes a pre-decisional material in which opinions are expressed and are being utilized by the IEPA in formulating an action regarding a specific matter. IEPA asserts that this document has not

been publicly cited or identified by IEPA's Director. Accordingly, the IEPA has met its initial burden of demonstrating that the withheld document is exempt from disclosure under section 7(1)(f).

If you have any questions, please contact Tammy Friedewald at (217) 558-1926. This correspondence shall serve to close this matter.

Very truly yours,
