RE: FOIA Pre-Authorization Request – 2011 PAC 15008

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to section 7(1)(f) of the Freedom of Information Act (FOIA) (5 ILCS 140/7(1)(f) (West 2009 Supp.), as amended by Public Act 96-1378, effective July 29, 2010).

On April 18, 2011, [REDACTED] of Hodge Dwyer & Driver submitted a FOIA request for information on Dunavan Oil Site in Oakwood, Illinois. In its written notice, IEPA asserts that certain documents are draft documents and internal memos which are exempt under 7(1)(f).

Section 7(1)(f) of FOIA exempts from inspection and copying "[preliminary drafts, notes, recommendations, memorandum and other records in which opinions are expressed, or policies or actions formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body."

DETERMINATION

The IEPA's use of the exemption in section 7(1)(f) to withhold internal memos and draft documents regarding Dunavan Oil Site is **approved**. We have concluded that the withheld documents are internal documents in which opinions are expressed and are being utilized by the IEPA in formulating an action regarding a specific matter. IEPA asserts that this

document has not been publicly cited or identified by IEPA's Director. Accordingly, the IEPA has met its initial burden of demonstrating that the withheld documents are exempt from disclosure under section 7(1)(f).

If you have any questions, please contact Tammy Friedewald at (217) 558-1926. This correspondence shall serve to close this matter.

Very truly yours,

Amanda Lundeen
