RE: FOIA Pre-Authorization Request – 2011 PAC 15675

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to section 7(1)(f) of the Freedom of Information Act (FOIA) (5 ILCS 140/7(1)(f) (West 2010).

On May 18, 2011, [REDACTED] submitted a FOIA request for information on various Illinois sites. In its written notice, IEPA asserts that certain documents regarding CB&I Constructors Inc. are pre-decisional documents and recommendations which are exempt under 7(1)(f).

Section 7(1)(f) of FOIA exempts from inspection and copying "[preliminary drafts, notes, recommendations, memorandum and other records in which opinions are expressed, or policies or actions formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body."

DETERMINATION

The IEPA's use of the exemption in section 7(1)(f) to withhold the internal documents regarding CB&I Constructors Inc. is **approved**. We have concluded that the withheld documents constitute pre-decisional materials and preliminary documents in which opinions are expressed and are being utilized by the IEPA in formulating an action regarding specific matters. IEPA asserts that these documents have not been publicly cited or identified

by IEPA's Director. Accordingly, the IEPA has met its initial burden of demonstrating that the withheld documents are exempt from disclosure under section 7(1)(f).
