RE: FOIA Pre-Authorization Request - 2011 PAC 16235

Dear Ms. Rassmussen:

We have received and reviewed the written notice from the Kendall County Sheriff's Office of its intention to deny disclosure of certain information under section 7(1)(c) of the Freedom of Information Act (FOIA) (5 ILCS 140/7(1)(c) (West 2010), as amended by Public Acts 97-333, effective August 12, 2011; 97-385, effective August 15, 2011). The Sheriff's Office is seeking to redact dates of birth from the requested document.

On August 9, 2011, [REDACTED] submitted a FOIA request for Kendall County Sheriff's Office report no. IL0470000. In its written notice, the Sheriff's Office asserts that dates of birth are exempt from disclosure under section 7(1)(c) of FOIA.

Section 7(1)(c) of FOIA exempts from inspection and copying "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information." The exemption defines "unwarranted invasion of personal privacy" as "the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information."

**DETERMINATION**

The Sheriff's Office's use of the exemption in section 7(1)(c) for the dates of birth is **approved**. We have determined that the Sheriff's Office has met its initial burden of demonstrating that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy. This type of information is highly personal by its very nature and

the subject's right to privacy outweighs any legitimate public interest in disclosing this information. *See, e.g., Oliva v. United States*, 756 F. Supp. 105, 107 (E.D.N.Y. 1991) (holding that, under Exemption 6 of the Federal Freedom of Information Act (5 U.S.C. §552(b)(6)), "dates of birth[ ] are a private matter, particularly when coupled with \* \* \* other information" and "would constitute a clearly unwarranted invasion of personal privacy"); *Texas Comptroller of Public Accounts v. Attorney General of Texas*, \_\_\_ S.W.3d \_\_\_, 54 Tex. Sup. Ct. J. 245 (2010) (state employees have a "nontrivial privacy interest" in their dates of birth under the Texas Public Information Act (*see* Tex. Gov't Code §§552.101, 552.102), which substantially outweighs the negligible public interest in disclosure).

Accordingly, the Sheriff's Office may issue a partial denial letter and release the report with the dates of birth redacted, if it has not already done so.

The Sheriff's Office also indicates that it intends to redact additional information from the report pursuant to section 7(1)(b) (5 ILCS 140/7(1)(b) (West 2010), as amended by Public Acts 97-333, effective August 12, 2011; 97-385, effective August 15, 2011). Because advance approval by the Public Access Counselor is not required for the assertion of exemptions other than sections 7(1)(c) and 7(1)(f) (5 ILCS 140/7(1)(f) (West 2010), as amended by Public Acts 97-333, effective August 12, 2011; 97-385, effective August 15, 2011), we make no determination at this time regarding the applicability of any other exemptions.

If you have any questions, please contact me at (877) 299-3642. This correspondence shall serve to close this matter.

Very truly yours,
