The Village's use of the exemption in Section 7(1)(c) with regard to dates of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c). This type of information is highly personal by its very nature and the subject's right to privacy outweighs any legitimate public interest in disclosing this information. As such, the Village may issue a partial denial letter directly to Ms. Perkins and release the record to her with the appropriate information redacted.

If you have any questions, please feel free to contact the Public Access Counselor's Office at (877) 299-3642. This correspondence shall serve to close this matter.

Sincerely,

Cara Smith
Public Access Counselor
