RE: Pre-Authorization Request – 2010 PAC 9207

Dear Ms. Binder:

We have received and reviewed the written notice from the Village of Villa Park (Village) of its intention to deny disclosure of certain information as exempt from disclosure under Section 7(1)(c) of the Freedom of Information Act, (FOIA), 5 ILCS 140/1 *et seq.*, as amended.

██████████ submitted a FOIA request dated August 18, 2010, seeking a copy of police reports numbered ██████████ and ██████████. In its written notice, the Village asserted that a date of birth is exempt from disclosure under Section 7(1)(c) of FOIA.

**Determination**

Section 7(1)(c) of FOIA exempts from inspection and copying "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information." The exemption defines "[u]nwarranted invasion of personal privacy" as "the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information." *Id.*

The Village's use of the exemption in Section 7(1)(c) with regard to a date of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c). 5 ILCS 140/7(1)(c). This type of information is highly personal by its very nature and the subject's right to privacy outweighs any legitimate public interest in disclosing this information. As such, the Village may issue a partial denial letter directly to ██████████ and release the reports to her with the appropriate information redacted.
