RE: Pre-Authorization Request – 2010.PAC 9401

Dear Ms. Godette:

We have received and reviewed the written notice from the Village of Tinley Park (Village) of its intention to deny disclosure of certain information as exempt from disclosure under section 7(1)(c) of the Freedom of Information Act (FOIA). 5 ILCS 140/1 *et seq.*, as amended.

On August 27, 2010, [REDACTED] requested a police report of an incident that occurred on August 19, 2010. In its written notice dated September 1, 2010, the Village asserted that a date of birth included in the police report is exempt under subsection 7(1)(c) of FOIA.

Determination

Section 7(1)(c) of FOIA exempts from inspection and copying “[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information.” 5 ILCS 140/7(1)(c). The exemption defines “[u]nwarranted invasion of personal privacy” as the “disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject’s right to privacy outweighs any legitimate public interest in obtaining the information.” *Id.*

The Village’s use of the exemption in section 7(1)(c) with regard to the date of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under section 7(1)(c). 5 ILCS 140/7(1)(c). This type of information is highly personal, and the subject’s right to privacy outweighs any legitimate public interest in disclosing this information.

As such, the Village should issue a partial denial letter directly to [REDACTED] and release the report to her with the appropriate information redacted.

If you have any questions, please feel free to contact Sarah Kaplan at (312) 814-2086. This correspondence shall serve to close this matter.

Sincerely,
