RE: Pre-Authorization Request - 2011 PAC 13032

Dear Ms. Matthews:

We have received and reviewed the written notice from the Village of Villa Park of its intention to deny disclosure of certain information as exempt from disclosure under Section 7(1)(c) of the Freedom of Information Act, (FOIA), 5 ILCS 140/1, *et seq.*, as amended.

██████████ submitted a FOIA request dated March 12, 2011, seeking copies of the documents described in her request. In its written notice, the Village asserted that dates of birth are exempt from disclosure under Section 7(1)(c) (5 ILCS 140/7(1)(c)).

**Determination**

Section 7(1)(c) of FOIA exempts from inspection and copying "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information." *Id.* The exemption defines "[u]nwarranted invasion of personal privacy" as "the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information." *Id.*

The Village's use of the exemption in Section 7(1)(c) with regard to dates of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c). This information is highly personal by its very nature and the subject's right to privacy outweighs any legitimate public interest in disclosing this information. As such, the Village may issue a partial denial letter directly to the requester and release the record with the appropriate information redacted.
