RE: Pre-Authorization Request – 2010 PAC 9679

Dear Ms. Rassmussen:

We have received and reviewed the written notice from the Kendall County Sheriff's Office (Office) of its intention to deny disclosure of certain information as exempt from disclosure under Section 7(1)(c) of the Freedom of Information Act (FOIA). 5 ILCS 140/1 et seq., as amended.

██████████ submitted a FOIA request received on August 23, 2010, seeking police report 2010-3715. In its written notice, the Office asserted that dates of birth are exempt from disclosure under Section 7(1)(c) of FOIA.

Determination

Section 7(1)(c) of FOIA exempts from inspection and copying "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information." 5 ILCS 140/7(1)(c). The exemption defines "[u]nwarranted invasion of personal privacy" as "the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information." *Id.*

The Office's proposed use of the exemption in Section 7(1)(c) with regard to dates of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c). 5 ILCS 140/7(1)(c). This type of information is highly personal by its very nature and the subject's right to privacy outweighs any legitimate public interest in disclosing this information. Accordingly, the Office's issuance

of a partial denial letter and the release the records with the dates of birth redacted were appropriate.

If you have any questions, please feel free to contact me at (312) 814-1003. This correspondence shall serve to close this matter.

Sincerely,
