RE: Pre-Authorization Request — 2011 PAC 13296

Dear Ms. Godette:

We have received and reviewed the written notice from the Village of Tinley Park of its intention to deny disclosure of certain information pursuant to Section 7(1)(c) of the Freedom of Information Act (FOIA). 5 ILCS 140/1 *et seq.*, as amended.

Paula Ignatieff submitted a FOIA request dated March 31, 2011, seeking a copy of the police report concerning the arrest of a specific individual and this individual's mug shot. In its written notice, the Village asserted that a date of birth is exempt from disclosure under Section 7(1)(c) (5 ILCS 140/7(1)(c)).

**Determinations**

Section 7(1)(c) of FOIA exempts from inspection and copying "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information." *Id.* The exemption defines "[u]nwarranted invasion of personal privacy" as "the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information." *Id.*

The Village's use of the exemption in Section 7(1)(c) with regard to a date of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c). This type of information is highly personal by its very nature and the subject's right to privacy outweighs any legitimate public interest in disclosing this information.

As such, the Village may issue a partial denial letter directly to the requester and release the report with the appropriate information redacted. If you have any questions, please feel free to contact the Public Access Counselor's Office at (877) 299-3642. This correspondence shall serve to close this matter.

Sincerely,
