RE: Pre-Authorization Request – 2011 PAC 13682

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to Illinois Freedom of Information Act (FOIA). 5 ILCS 140/1 *et seq.*

Specifically, on February 4, 2011, Mr. Rod Struck, on behalf of GSI Water Solutions, submitted a FOIA request to IEPA for a copy of all records pertaining to Moss America. In its written notice, IEPA asserts that certain documents, contained within the requested records, have been withheld from disclosure under section 7(1)(f) of FOIA (5 ILCS 140/7(1)(f)).

Determination

Section 7(1)(f) of FOIA exempts from inspection and copying “[p]reliminary” drafts, notes, recommendations, memoranda and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body.” *Id.*

IEPA’s use of the section 7(1)(f) exemption with regard to the withheld documents is **approved**. We have determined that the withheld documents contain opinions and recommendations that IEPA relied upon in its decision-making process regarding specific matters. Further, IEPA has indicated that none of these documents have been publicly cited by the Director of IEPA. As such, IEPA has met its initial burden of demonstrating that the withheld information is exempt from disclosure under section 7(1)(f).

If you have any questions or concerns, please feel free to contact me directly at (312) 814-6437. This correspondence shall serve to close this matter.
