RE: Pre-Authorization Request – 2010 PAC 10584

Dear Mr. Thompson:

We have received and reviewed the written notice from the Village of Franklin Park of its intention to deny disclosure of certain information as exempt from disclosure pursuant to Section 7(1)(c) of the Freedom of Information Act, 5 ILCS 140/1 *et seq.*, as amended (FOIA).

[REDACTED] submitted a FOIA request received November 3, 2010, seeking “caller information on 911 calls made reporting an accident at [REDACTED] on July 31, 2010, at approximately 4:10 a.m.” In its written notice, the Village asserted that dates of birth are exempt from disclosure pursuant to Section 7(1)(c), which exempts from inspection and copying “[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information.” 5 ILCS 140/7(1)(c). The exemption defines “[u]nwarranted invasion of personal privacy” as “the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject’s right of privacy outweighs any legitimate public interest in obtaining the information.” *Id.*

Determination

The Village’s use of the exemption in Section 7(1)(c) with regard to dates of birth is **approved**. This Office has determined that a person’s date of birth is highly personal information, and the subject’s right to privacy with respect to this information outweighs any legitimate public interest in its disclosure. As such, disclosure of the victim’s name would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c) of FOIA.

If you have any questions, please feel free to contact me at (312) 814-5383. This correspondence shall serve to close this matter.

Sincerely,

Cara Smith
