Re: Pre-Authorization Request – 2010 PAC 10760
FOIA Requester: ARCADIS – Ms. Amy Schwartz

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to Section 7(1)(f) of the Freedom of Information Act (FOIA), 5 ILCS 140/1 *et seq.*, as amended.

On October 26, 2010, Ms. Amy Schwartz submitted a FOIA request to IEPA for LUST technical, LUST fiscal, SRP technical, SRP fiscal, FOS, compliance, permits, and ground water records regarding the ComEd Chicago North Headquarters in Chicago.

In its written notice, the IEPA asserts that two documents contained within the requested records are draft documents and have been withheld from disclosure under Section 7(1)(f) of FOIA.

Determination

Section 7(1)(f) of FOIA exempts from inspection and copying “[p]reliminary drafts, notes, recommendations, memoranda and other records in which opinions are expressed, or policies formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body.”

The IEPA’s use of the Section 7(1)(f) exemption with regard to the withheld documents is **approved**. After review, our office has determined that the withheld documents contain preliminary observations and draft comments. Further, the IEPA has indicated that these documents have not been publicly cited by the Director of the IEPA. Accordingly, the IEPA has met its burden of demonstrating that the withheld documents are exempt from disclosure under Section 7(1)(f) of FOIA.
