Re: Pre-Authorization Request – 2010 PAC 11205
FOIA Requester: [REDACTED]

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to Section 7(1)(f) of the Freedom of Information Act (FOIA). 5 ILCS 140/1 *et seq.*, as amended.

On October 28, 2010, [REDACTED] submitted a FOIA request to IEPA for the LUST Technical, SRP Technical, FOS, and Compliance records from 1990 through 2010 regarding the Sandoval facility in Marion County.

In its written notice, the IEPA asserts that 13 documents contained within the requested records are pre-decisional or draft documents and have been withheld from disclosure under Section 7(1)(f) of FOIA.

Determination

Section 7(1)(f) of FOIA exempts from inspection and copying “[p]reliminary drafts, notes, recommendations, memoranda and other records in which opinions are expressed, or policies formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body.”

The IEPA’s use of the Section 7(1)(f) exemption with regard to the withheld documents is **approved**. After review, our office has determined that the withheld documents are memos, draft, and pre-decisional documents that contain recommendations and opinions. Further, the IEPA has indicated that these documents have not been publicly cited by the Director of the IEPA. Accordingly, the IEPA has met its initial burden of demonstrating that the withheld documents are exempt from disclosure under Section 7(1)(f) of FOIA.
