RE: Pre-Authorization Request — 2010 PAC 11283

Dear Ms. Curran:

We have received and reviewed the written notice from the Village of Lisle (Village) of its intention to deny disclosure of certain information as exempt from disclosure under Section 7(1)(c) of the Freedom of Information Act (FOIA). 5 ILCS 140/1 *et seq.*, as amended.

██████████ submitted a FOIA request on December 9, 2010 seeking Case Report LI10-003742. In its written notice, the Village asserted that dates of birth are exempt from disclosure under Section 7(1)(c) of FOIA.

Section 7(1)(c) (5 ILCS 140/7(1)(c)) of FOIA exempts from inspection and copying "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information." The exemption defines "[u]nwarranted invasion of personal privacy" as "the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information." *Id.*

Determination

The Village's proposed application of the exemption in Section 7(1)(c) with regard to dates of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c). This type of information is highly personal by its very nature and the subjects' right to privacy outweighs any legitimate public interest in disclosing this information.

Accordingly, the Village's issuance of a partial denial letter and release of the report with the dates of birth redacted was appropriate.
