RE: Pre-Authorization Request – 2010 PAC 11459

Dear Ms. Briggs:

We have received and reviewed the written notice from the Town of Normal of its intention to deny disclosure of certain information pursuant to Section 7(1)(c) of the Freedom of Information Act (FOIA). 5 ILCS 140/1 *et seq.*, as amended.

██████████ submitted a FOIA request dated December 18, 2010, seeking a copy of a report concerning an accident that occurred on November 19, 2010. In its written notice, the Town asserted that a date of birth is exempt from disclosure under Section 7(1)(c) of FOIA.

Determination

Section 7(1)(c) of FOIA exempts from inspection and copying “[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information.” The exemption defines “[u]nwarranted invasion of personal privacy” as “the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject’s right to privacy outweighs any legitimate public interest in obtaining the information.” *Id.*

The Town’s use of the exemption in Section 7(1)(c) with regard to a date of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy under Section 7(1)(c). 5 ILCS 140/7(1)(c). This type of information is highly personal by its very nature and the subject’s right to privacy outweighs any

legitimate public interest in disclosing this information. As such, the Town may issue a partial denial letter directly to the requester and release the report with the appropriate information redacted.
