RE: Pre-Authorization Request – 2010 PAC 11463

Dear Ms. Briggs:

We have received and reviewed the written notice from the Town of Normal (Town) of its intention to deny certain information as exempt from disclosure under Section 7(1)(c) of the Freedom of Information Act. 5 ILCS 140/1 *et seq.*, as amended (FOIA).

American Family Insurance Group submitted a FOIA request on December 17, 2010 seeking Accident Report #10A-1377 regarding insured party, [REDACTED] #521-283963-MS. In its written notice, the Town asserted that the dates of birth are exempt from disclosure under Section 7(1)(c) of FOIA.

Section 7(1)(c) of FOIA (5 ILCS 140/7(1)(c)) exempts from inspection and copying “[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information.” The exemption defines “[u]nwarranted invasion of personal privacy” as “the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject’s right to privacy outweighs any legitimate public interest in obtaining the information.” *Id.*

Determination

The Town’s proposed application of the Section 7(1)(c) exemption with regard to dates of birth is approved. We have determined that the disclosure of dates of birth would constitute a clearly unwarranted invasion of personal privacy. This type of information is highly personal by its very nature and the subjects’ right to privacy outweighs any legitimate public interest in disclosing this information.

Accordingly, the Town may issue a partial denial letter and release the record with the dates of birth redacted, if it has not already done so.
