Re: Pre-Authorization Request – 2010 PAC 11551
FOIA Requester: Mr. Jeff Goeden -Professional Service Industries

Dear Mr. Reuter:

We have received and reviewed the written notice from the Illinois Environmental Protection Agency (IEPA) of its intention to deny disclosure of certain information pursuant to Section 7(1)(f) of the Freedom of Information Act (FOIA). 5 ILCS 140/1 *et seq.*, as amended.

On November 19, 2010, Mr. Jeff Goeden of Professional Service Industries submitted a FOIA request to IEPA for LUST Technical, SRP Technical, Compliance, and Ground Water records pertaining to the facility at 2553 Edgington Street in Franklin Park.

In its written notice, the IEPA asserts that two documents contained within the requested records are pre-decisional and have been withheld from disclosure under Section 7(1)(f) of FOIA.

Determination

Section 7(1)(f) of FOIA exempts from inspection and copying “[p]reliminary drafts, notes, recommendations, memoranda and other records in which opinions are expressed, or policies formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body.”

The IEPA’s use of the Section 7(1)(f) exemption with regard to the withheld document is **approved**. After review, our office has determined that the withheld documents are pre-decisional and contain recommendations. Further, the IEPA has indicated that these documents have not been publicly cited by the Director of the IEPA. Accordingly, the IEPA has met its initial burden of demonstrating that the withheld documents are exempt from disclosure under Section 7(1)(f) of FOIA.
