RE: Pre-Authorization Request — 2011 PAC 12021

Dear Ms. Briggs:

We have received and reviewed the written notice from the Town of Normal of its intention to deny disclosure of certain information pursuant to Section 7(1)(c) of the Freedom of Information Act (FOIA), 5 ILCS 140/1 *et seq.*, as amended.

On January 19, 2011, LexisNexis submitted a FOIA request seeking police accident report number 10-1442. In its written notice, the Town asserted that dates of birth are exempt from disclosure under Section 7(1)(c) of FOIA (5 ILCS 140/7(1)(c)) which exempts from inspection and copying, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless disclosure is consented to in writing by the individual subjects of the information." The exemption defines "[u]nwarranted invasion of personal privacy" as "the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information."

**Determination**

The Town's use of the exemption in Section 7(1)(c) with regard to a date of birth is approved. This type of information is highly personal by its very nature and the subject's right to privacy outweighs any legitimate public interest in disclosing this information. As such, the Town may issue a partial denial letter directly to the requestor and release the records with the appropriate information redacted if it has not already done so.

If you have any questions, please feel free to contact me at (312) 814-5383. This correspondence shall serve to close this matter.

Sincerely,
